

PROJECTPRO AND VBKOM COLLABORATION

Eduan Pieterse, left, MD VBKom Projects and Terry Deacon, CEO of ProjectPro signed a memorandum of understanding in Pretoria in July 2013, in which both companies agreed to promote opportunities to collaborate in offering project management training and consulting.

The intent of the strategic collaboration between VBKom Projects and ProjectPro is to promote the good name and proliferation of the other party's business by allowing mutual marketing and selling of their services.

VBKom Projects (Pty) Ltd. is a professional and specialist Project, Risk & Related Management service provider for the mining and capital intensive industries. VBKom Projects has grown significantly in size and turn-over the past few years as a result of its niche Project Risk Management, Operational Readiness, Process Simulation & Project Financial Decision Analysis services.

In line with its growth aspirations VBKom Projects has identified the need to expand its services outside the borders of South Africa with a focus on penetrating the SADC, Central & West Africa regions. VBKom Projects has recognised the value and opportunity to augment its Project Management & Decision Support Services with certified & accredited Project Management training.

ProjectPro is a well established and highly reputable provider of project management methodologies, training and certification courses in South Africa and internationally. A wide range of courses are offered.
