

Time Management

Seize the Day!

Personal Efficiency and Effectiveness course

There just don't seem to be enough hours in a day to get through our jam-packed schedules. Are you feeling stressed, out of control and looking for a way to efficiently and effectively manage your life?

Let Terry Deacon, an internationally certified project management professional share his secrets with you on how to get things done and yet still maintain a healthy balance between your personal, family and business roles. The **Seize the Day!** experience goes beyond time management – it also addresses your mental, physical and spiritual well-being.

Join **PROJECTPRO's** one-day **Seize the Day!** course and discover how tried and tested project management techniques can make you super-productive through better planning, organizing and controlling of your daily tasks. This course is suitable for anyone who desires to be more efficient and effective with lower stress levels. After attending **Seize the Day!** you could save up to two hours a day of previously wasted time. The course fee includes a manual, worksheets, lunch/refreshments and is a great investment in future prosperity.

Discounts for groups. Courses can be arranged at any location in the world.

Remember each day is a building block of the weeks, months and years that comprise the rest of your life!
