

Obtain your internationally recognised
**Certified Associate in Project Management
 (CAPM) Credential**
 by joining ProjectPro's
eLearning course
 based on the PMBOK® Guide 6th Edition

The Certified Associate in Project Management (CAPM) credential offered by the Project Management Institute (PMI) internationally recognised. Thousands of project team members around the world presently hold this sought-after certification.

Large organisations such as IBM, SAB Miller, AT&T, ABB, NCR, Siemens,

CitiBank, Ericsson, Canadian Dept of Defence, Korean Electricity Power Corp. Transnet, Eskom, etc. include the CAPM in their project management career path.

CAPM is a recognised credential in USA, Canada, Europe, Japan, Australia, New Zealand, China, South Africa, etc.

The requirements to sit for the CAPM exam are:

- Option 1.** 1 500 hours of project experience, and a High School Diploma /Global equiv. **or**
- Option 2.** High School Diploma/Global equiv. and 23 contact hours of project management education, which this eLearning course provides.

Regular Skype and webinar sessions for online groups or individuals are held for the facilitator and candidates to interact in real-time.

ProjectPro is a Registered Education Provider (REP) with the Project Management Institute (no. 3618). This course earns you 24 Professional Development Units (PDU).

The CAPM eLearning course comprises:

- * 14 Modules covering framework and the ten knowledge areas to work through at your own pace
- * Video clips, narrations, animations and case studies are used extensively to reinforce the theory
- * Creative quizzes are inserted in the modules to check understanding of the concepts
- * A computer-based testing and scoring process assesses your knowledge at the end of each module. Hundreds of typical exam questions and answers are worked through during the course.
- * Guidelines for qualifying in areas of experience and knowledge.
- * Advice on further recommended reading
- * Free access to ProjectPro's e-library of project management articles
- * A final 100-question knowledge assessment must be submitted to ProjectPro with a passing score of at least 60% to obtain a certificate of achievement.

Check out our demo module at www.projectpropm.com to explore the richness of the CAPM eLearning course.
